

THE GREG WAGONER FAMILY

Since our April letter we praise the Lord for \$250 that was donated for the construction of a parsonage for Pastor Joas Kibaba Ruhukwe and his family in Lamadi, Magu, Mwanza. That only leaves us \$250 short of our goal of \$5,000 total for this pastor's house. If you feel led to help with this project, please send the funds to BIMl at designation: #1086-PARSONAGES FOR PASTORS.

Thank You & God Bless!

A CELEBRATION ASSEMBLY

It was a long time coming, but Saturday, April 25 proved to be a monumental occasion for four students of LAKE VICTORIA BAPTIST COLLEGE. Delphinus Donatus Nyamwiyula, Emanuelli Pelegrino Bernadi, Joas Kibaba Ruhukwe Nyosha, and John Naftary Walwa Manonga each received an Associate Degree of Biblical Studies. It is difficult to summarize the kind of excitement and joy everyone was feeling during the commencement exercises. However, just to give you an idea... All of our kids said that they want to graduate in Africa! It was quite a fun time.

A SOLEMN ASSEMBLY

The Sunday following the Graduation ceremony we gathered for a solemn assembly at the Independent Baptist Church on Ibungilo Hill. For quite some time there has been a rebellious undercurrent flowing through the congregation. At the crux of the matter was a power struggle with the pastor, coupled with economic envy. After much prayer and consideration about the best course of action, the decision was made to dissolve the church and allow the pastor, Delphinus Donatus Nyamwiyula, to start with a new congregation. Those who would support his ministry could continue serving under his leadership, while those who were unhappy with him could be free to do whatever they please. The new church held its first service on Sunday evening, April 26th, with fifteen people attending. Please pray for this man of God and this "new" work.

A FURLOUGH ASSEMBLY

We are now two weeks from our upcoming "home assignment." We look forward to rekindling kinship, friendship, and fellowship with many of you.
